Sir:

The filing receipt for the subject patent application has been received and reviewed for accuracy. A discrepancy has been discovered. The filing receipt incorrectly lists the date of the foreign priority of the application as "09/12/1999." The correct date is **08/12/1999**.

Since this error is believed to be an error of the Patent Office, such change should be made at no expense to the applicant. However, if any fee is believed to be necessary, authorization is given to charge Deposit Account No. **01-0484**.

Respectfully submitted,
